Board Report
September 2016
Duane Krusemark, Elementary Principal

Enrollment Update: Last month I reported that we had 59 students enrolled in preschool. Our most current numbers show that we have a slight increase and now have 65. In the elementary we had 325 students enrolled and now we have 317 after some movement over the summer. We still have great numbers and I am sure we will continue to grow in the preschool area.

COPE: Starting September 19th, COPE will be offering cooking classes in the elementary cafeteria for the next six weeks. The classes are intended to assist families on learning how to make easy meals that are affordable and healthy.

Teacher Evaluation: We have started the process of setting goals for the year with the teachers and setting up observations for the first semester.

Mrs. Melissa Poloncic
