The Big6 Song

(Tune: This Old Man, He Played One)

WHAT'S THE TASK?
That's step one.
Tell me all that must be done.
With a knick-knack paddy whack,
Research can be fun.
In The Big6 that's step 1.

BRAINSTORM NOW
That's step two.
List the places I should view.
With a knick-knack paddy whack,
Thinking what to do.
In The Big6 that's step 2.

LOCATE, FIND
That's step three.
Using search terms helps, I see.
With a knick-knack paddy whack,
Boolean for me.
In The Big6 that's step 3.

HEAR AND VIEW
That's step four.
Taking notes and citing score.
With a knick-knack paddy whack,
READING is the core.
In The Big6 that's step 4.

SYNTHESIZE
That's step five.
Look, my project's come alive.
With a knick-knack paddy whack,
Let the pieces jive.
In The Big6 that's step 5.

JUDGE MY WORK
That's step six.
Is my project worth two sticks?
With a knick-knack paddy whack,
Did I miss some tricks?
In The Big6 that's step 6.
