

Ukulele Club Basic Chord Progressions

Directions: Students start by strumming each chord and counting to 8. Change immediately to the next chord and count to 8 while strumming. Repeat process until chord progression is over.

Need a challenge? Play the chord progression without looking at the chord charts OR speed up the tempo OR count to 4, 2, or 1 instead before changing chords.

C → G → C

C → F → C

C → F → G → C

C → F → C → G → C

C → G → C → F → G → C
